## Text Giving Commands

Command	Description
\$50	Donates \$50 to your church. Users can type any amount; the dollar sign is optional (e.g. \$50 and 50 both work).
give \$50	Same as above.
give	Your text giving number will respond asking "how much you'd like to give". Telling people to text 'give' to your number can be a more succinct way to communicate text giving.
\$50 missions	Donates \$50 to the missions fund. You can customize fund keywords and what fund they point towards. Note: Donors can only give to one fund at a time.
\$50 weekly	Sets up a recurring gift of \$50 each week. Frequency options are 'weekly', 'biweekly', 'monthly', and 'yearly'.
\$50 missions weekly	Sets up a recurring gift of \$50 each week to the missions fund. Frequency options are 'weekly', 'biweekly', 'monthly', and 'yearly'.
refund	Refunds the previously given contribution. <sup>1</sup>
update	Allows a donor to update their payment method or recurring gift. <sup>2</sup> Your text giving number will respond with a link where users can make these changes.
unlink	Unlinks a user's phone from the text-to-give system. If a donor wants to set-up two recurring gifts from two different methods, using "unlink" will allow the donor to set-up a secondary recurring gift from an additional method. <sup>4</sup>
commands	Provides the user with a list of the available generic text commands (will not include the unique specific keywords you have set up for your church)
